## CANADIAN PROGRESS CLUB TORONTO TRILLIUM

The Canadian Progress Club was founded in 1922 in Toronto and now has over 40 chapters across Canada.

CPC Toronto Trillium was chartered in June 1998. Our members are women who live or work in Toronto and have a desire to meet new friends, develop personal skills, network and donate their time to our club's fundraising and community service efforts. We support the Red Door, the Ontario Special Olympics, Bob Rumball Centre for the Deaf, and other charitable endeavours.

To find out more about how you can make a difference to your community, yourself, and your career, call Karen Mrkonjic at 416-391-3680.

## ONTARIO SPECIAL OLYMPICS

Ontario Special Olympics is a part of a worldwide charitable organisation dedicated to promoting a more active and better quality of life for people who have a mental disability, through their involvement in sport. Special Olympics provides athletes the opportunity to experience and succeed in a variety of sports. Special Olympics athletes gain self-confidence and transfer the success from the playing field to become more active citizens in society.
